GRTU COC Funding Request Application Project Description

Please provide a general, narrative overview of your project, addressing each of the areas outlined below.

Project Overview

Provide a general overview of the project

Background

Provide some background on the river, fishery and the challenges they face.

Project Outline

Provide a general outline of the project objectives

Workplan

Provide information on how the project will be accomplished, what type of activities will be conducted and the expected project schedule.

Budget

Provide an overall budget for the project. Indicate all funding and labor to be provided by the applicant and indicate what the GRTU funds would cover.

Funding Request

Outline the amount of funding requested from the GRTU COC Fund for the project. Indicate if the full amount requested would be required in order for the project to move forward or if partial funding would be accepted.

GRTU Recognition

Outline the recognition that GRTU will receive from your project, such as signage at the project site, inclusion in your newsletter articles, local and national press releases or other types of recognition of GRTU's contribution.

GRTU Audit

State your commitment to provide a chapter member to conduct a conservation tour audit visit by a GRTU member to the project site.
